Safeguarding

Children accessing Social Media sites

Snapchat

Has an age limit of 13 but we are aware that some of our pupils are using this App.

Snapchat is a mobile application that allows users to capture pictures and videos and send them as messages to other Snapchat users. Every Snapchat message did have a viewing time limit but the May update adds a new "limitless" snaps option (for snapping without time constraints) with no limit, the snap will appear on friends' screens until they navigate away from it, either by manually skipping to the next snap or by closing the app entirely. The new time limit (or, lack of time limit) applies to both regular snaps sent to friends as well as story snaps.

Similarly, Snapchat is adding a "play forever" option for videos, which loops them so they too can be shared in a "limitless format." looping videos. The potential for strangers to capture images has therefore increased.

A more detailed help sheet will be sent out as an e-mail to all parents, or please request a copy from the school office.

For more information regarding how to restrict access on mobile devices please follow the link below.

Use the "Activate parental controls and filters" interactive link.

Mobile Phones

The use of mobile phones are not permitted on school premises at any time. Please make sure that if you are staying for the school discos that you do not use your phone. Children are also not allowed to bring mobile phones to the school discos.

Sainsbury Vouchers

The deadline for us to submit our order is the end of June. The collection box is in the entrance hall outside the school office for any more tokens you may still have.

Our current total stands at 5,234

Cake Sale for Zoe's Place

Some of our staff will be baking cakes for a Cake Sale after school on Friday this week 9th June to raise funds for Zoe's Place Hospice. Please come along and buy our cakes to raise money for this very worthy cause. Cakes will be on sale from 3pm just outside the pedestrian entrance (weather permitting). If the forecast is for rain, the sale will take place in the hall.

80th Birthday Celebration

The P.A. would like to support the school in celebrating our 80th birthday in July.

There will be a couple of traditional style stalls; coconut shy, BBQ and drinks etc.

It is hoped that this is a wonderful celebration of a lovely school with a long history in the area and that children and families can take away some lovely memories from the day.

If you can give some time to support then please do come along to the next meeting and join in with the activities. This will be held on **Monday 12th June** at 6pm in school
