Very Good attendance achieved

Assembly Focus

This week's assembly focussed on the successes at the Commonwealth Games, particularly that of the Women's Netball Team. I shared some of the footage of the game with the children including the crucial last few seconds - what a thriller!

We talked about the importance of going for goals and that perseverance, hard work and determination are skills needed if we want to be successful at the things we do.

The children also listened to the English Anthem, 'Jerusalem', which they had not really heard before.

We may have some Commonwealth Games competitors of the future in school - let's hope so.

A big thankyou to Fares, Fraser, George, Lois, and Polly-Lola and their families for attending the Good Friday Service at St Giles and explaining their play and their work so well.

Many of you asked about copies of the film that was taken and Mrs Frith is looking into putting this on the children's we-learn platform. We will let you know when this can be accessed.

Thank you to parents for joining in with the hot-cross buns and drinks after the play - it was a lovely get-together for us all.

Year 4 Easter Play

Children in Year 4 performed their version of the Easter story, 'The three trees' on the last day of term. It was a great success. The children added a soundscape to their play, created by themselves, to add suspense to the performance and they did a very good job. Again this group were very articulate in their performance and sang beautifully - what a talented group of children.

S.O.S.

Do you have any old iPads or tablets in good working condition that you could donate to school? If you do, please drop them off at the office. Many thanks

Manor Adventure Trip

We still have some very expensive looking walking boots left over from the Manor trip.

- are they yours? If you recognise any of the items, please collect them from the Y6 classroom. Any items left at the end of the school day on Friday this week will be disposed of.

Jason Beresford returns

On Friday 27th April, a former pupil of the school, Jason Beresford, will be joining us for the day. Jason is now an established children's author and has written a series of books entitled, 'The Fabulous Four Fish Fingers'.

Jason visited our school many years ago and spent the day helping children to write stories and sharing his expertise. He has kept his promise of returning to his home school. He will join us for assembly where he will share his latest book and then work with the children in classes for the rest of the day.

Easter Celebrations

Thank you to all who participated in the making of the Easter gardens, bonnets and displays - what an amazing array in school. The children thoroughly enjoyed looking at all the designs - we have some very creative families in school. Please look at the website - they may help with ideas for next year.
