

Wheelwright Lane Pupils Making a Difference.

The focus for the morning assembly was to let the pupils know that it can take, just one person to make a huge difference in the world.

We were visited by Tracey and Catherine two Macmillan nurses from Coventry University Hospital. They joined our assembly to pick up some syringe driver bags that some of our year 5 and 6 pupils had been sewing with the help of Mrs Bloor.

The bags are really useful to help transport the syringe pumps that some patients need to carry around with them.

Well done to all who gave up their own time, to make life a little easier for others.
