

Our Trip

On Monday, 11th of July we went to the Houses of Parliament with pupils from years 5, 6 and teachers including Mrs Browne, Mrs Essex, Mrs Valance, Mrs Bloor and Mr Price.

First we saw Big Ben, we were all very excited and the time was quarter to eleven. When we got there, we went to the Education Centre and we were met by our tour guide, her name was Diane.

After that we went to the House of Parliament and walked proud and high like the Queen, up the stairs of parliament.

While we were in the House of Lords room we learned a lot about the Queen and went into the Common Room and were taught about the job of a Prime Minister.

Later on, we had to learn about some Kings and Queens and sort items into the reign of the Queen or King it had something to do with. Then we had our picture taken with our MP who is Craig Tracy and then we went home. We all had a wonderful time and would like to go back again.
