

Christmas Play

This week from the 12th December our children produced four amazing performances, for all our eager parents, carers and grandparents.

The play was based on the nativity, all the children took part and performed on stage in front of everyone.

The angels sparkled and the inn keepers rocked

Everyone said how much they enjoyed themselves.

It was lovely to see Mrs Netta McNiff in the audience, one of our school governors from a fair few years ago, who came to see her great grandson perform.

We wish her and everyone a happy and peaceful Christmas!
