Total number of pupils eligible for PPG	19 children (22 children previously received FSM within the last 6 years) 19% of school
Amount of PPG received per pupil	£900
Total amount of PPG received for 2013-2014	£33,300

We ensure that teaching and learning opportunities meet the needs of all the pupils in the school.

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium Funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at any one time.

All our work through the pupil premium is aimed at accelerating progress, for example moving children below Age Related Expectations (ARE) to at least ARE. Initially this is in Literacy and Numeracy.

We track all children's progress termly, focussing particularly on vulnerable groups and allocating resources to groups of children that are in need of extra support.

Pupil Premium resources are also used to target able children on FSM to achieve L3 and L5/6 at the end of KS1 and KS2 respectively.

Provisions available

Small group Intervention work in class

1 to 1 support, where appropriate.

Planned programmes of recovery for Literacy and Numeracy
