- Quadkids events in Bedworth and Nuneaton

Other activities will be available throughout the year when fixtures are arranged by our Consortium and within our local Bedworth and Coventry schools. Our PE subject leader is a member of the Bedworth Partnership of Sport group

who meet termly to arrange activities and competitive events. These will continue to be developed over the year.

In school - this year we will hold the following activities:

- House cross-country competition
- A variety of House sports events throughout the year
- Sports Day - competitive sports including whole school tug-of-war
- Extra-curricular sports held at lunchtime and after-school, provided by sports coaches.

Sports Apprentice:

The aim for our Sports Apprentice will be to support teachers and sports coaches during all PE lessons to ensure that more children are engaged and active during lessons. Also to provide extra-curricular sports lessons during school and after school, under the guidance of adults.

Specific breaktime and lunchtime activities will be provided by our Sports Apprentice so that all year groups will have a focussed activity for the week.

As a result of the wider range of activities offered to all year groups, there will be an increase in the numbers of children participating in the activities in school and we hope to encourage children to take up a variety of sports outside school. Some of our children, past and present, participate in more sports activities outside school hours as a result of the wider range of sporting opportunities that the school has on offer.

With the introduction of our Sports Apprentice to add to our coaching team we feel that positive male role models will lead the activities. Our Sports Apprentice will complete his Level 2 Sports certificate in December 2015 and will leave the school to further his career in sports. He has had a positive impact on the children and staff.
