15th March 2021

Dear Parents/Carers,

Wraparound Care

At our recent Governor meeting, all Governors discussed the situation with the wraparound care. It is **not a legal requirement** that schools provide wraparound care and Wheelwright Lane School has never offered this to our families, only nursery children (since the opening of the school's own nursery 2015). Skamps, a private business, have been providing wraparound care for 28 years and renting two rooms in the school to carry out their business. As you are all aware this has had to close due to consistently low numbers due to the pandemic and consequently low income which does not cover wages and expenses.

The school has provided emergency care (similar to that provided from March to July 2020) to support families and will continue to provide this, as promised, up to Easter. Like Skamps, this is proving to be a challenge as numbers are very low.

We are possibly looking to provide similar cover in the summer term again for emergency care. In order to make this a viable option, parents would need to let the school know the wraparound hours they needed a month in advance and pay a month in advance. It is impossible to run on an ad-hoc basis as the funding received does not cover the cost of wages. As in the past if an emergency arises and parents are unable to collect their children on time then the emergency care will be available - we recognise that for some of our parents this is a much needed service (always telephone the school to let us know).

In order for us to gauge if this option is viable we would ask you to complete the attached form detailing the cover you require from Monday 19th April to Friday 28th May, including times. The Governors will then make an informed judgement regarding the viability of providing emergency support.

Many thanks

Dave Grove (Chair of Governors)

15th February 2021

Dear Parents/Carers,

Please give details of the wraparound care needed from w.c. Monday 19th April to Friday 28th May (you must pay in advance if wraparound care is needed):

Child's name (complete a separate one for each child)			Year group	
Day	a.m. time child expected to be dropped off (please put N/A if not using on this day)	p.m child expected to be collected (please put N/A if not using on this day)	Allergies/medical details	Comments
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				

Some parents are on different weekly shift patterns, please complete one for each of the six weeks if your use of wraparound care changes each week. If you require the same wraparound care each week then only complete one sheet. **Please send completed sheet to admin2021@welearn365.com. Please add the word Wraparound to the subject or within the body of your email to admin.** Thank you

Many thanks

Christine Browne
